See next page for Finding Additional Therapists
Finding Additional Therapists

Below are a few additional ways you may be able to find a suitable therapist referral.

**PsychologyToday.com**

*Index of therapists registered on Psychology Today. This is where most therapists are listed.*

**Step 1.** Open a web browser and go to the PsychologyToday.com website (or click on the link provided here).

**Step 2.** At the top of the page in the box next to “Find a Therapist” enter the City or Zip of your preferred location and click on the blue button with the white magnifying glass next to the search box.

**Step 3.** It will bring you to a list of therapists based on the location you provided. You can then continue to filter by selecting your preferences (issues, faith, treatment orientation, whether they do online therapy, etc.) on the menu bar located vertically on the left of the page.

**Note:** The list will not only show therapists in the city/zip you provided but also in the surrounding area. (You can increase or decrease the surrounding distance by clicking on the “+” or “-” at the top of the page next to the city/zip you entered.

**AMCAP (Association of Mormon Counselors and Psychotherapists)**

*Index of LDS therapists registered on AMCAP*

**Step 1.** Open a web browser and go to the LDSAMCAP.com website (or click on the link provided here).

**Step 2.** At the top of the page in the black menu bar, click on “Find a Counselor”

**Step 3.** In the “LDS Counselors Directory” box, enter your preferred specialty, Locale/Address and/or Name/Practice, then click the search button. **Note:** If you do not find therapists based on your preferences, it may be helpful to start more general (i.e. a city/state versus a specific address), then narrow it down.

You will then be provided with therapists based on your preferences. It will also include additional therapists in the surrounding area, listing in order of closest proximity then further away in distance.

**ISW/ABCST (Institute for Sexual Wholeness/American Board of Christian Sex Therapists)**

*Note: ISW is where Laura received most of her advanced sex therapy training. The individuals on this site will be similarly trained.*

**Step 1.** Open a web browser and go to the abcst.sexualwholeness.com/ISW-faculty/ website (or click on the link provided here).

**Step 2.** Scroll down a little to where it says “DISCLAIMER OF LEGAL RIGHTS AND LIMITATION OF LIABILITY” in a box, and click on it.

**Step 3.** Read through the disclaimer then click “I understand and agree with the above. Please take me to a list of therapists.”

**Step 4.** Choose your preferred state. A list of therapists in the selected state will be provided and you can click on a therapist’s website to learn more.
