

Shared Journey to a Sextraordinary Marriage

Primary Challenge
WIVES

Embracing &
Developing Her
Sexuality

It's not ALL on you to change your sexual relationship. You're not broken. Sex is a "team sport." Women are divinely wired with more "responsive" DESIRE that's fueled by "A-C-E-S" (*Agency, Connection, Embraced Sexuality, and Safety*)!

Equally challenging effort is needed by husbands and wives in the journey to creating a Sextraordinary Marriage

Primary Challenge
HUSBANDS

Self-Mastery
Emotional Regulation
Bridling Passions

It's not about waiting around for her to "get it." You have equally challenging work to do to help create the conditions (*Agency, Connection, Safety*) for her DESIRE to blossom! She has to decide for herself to Embrace and Develop her Sexual Wholeness.
